ESID 2024

HUMAN INBORN ERRORS OF IMMUNITY: AN  
EXPANDING UNIVERSE

16-19 OCTOBER 2024 | MARSEILLE,

## FRANCE

Thank you for joining us at ESID 2024, where we brought together over 2,500 colleagues from the global primary immunodeficiency (PID) community. Together we are furthering the knowledge in the field by shaping a high-quality educational programme and fostering indispensable cooperation among all those involved in the diagnosis, treatment, and management of PIDs.

Sharpen your skills, showcase your latest research and network with colleagues from around the world at the next Biennial Meeting of the European Society for Immunodeficiencies!

See you in Maastricht, 14-17 October 2026
